THE EVOLUTION OF KMYS

2021

2022

2024

We started as a meme page!

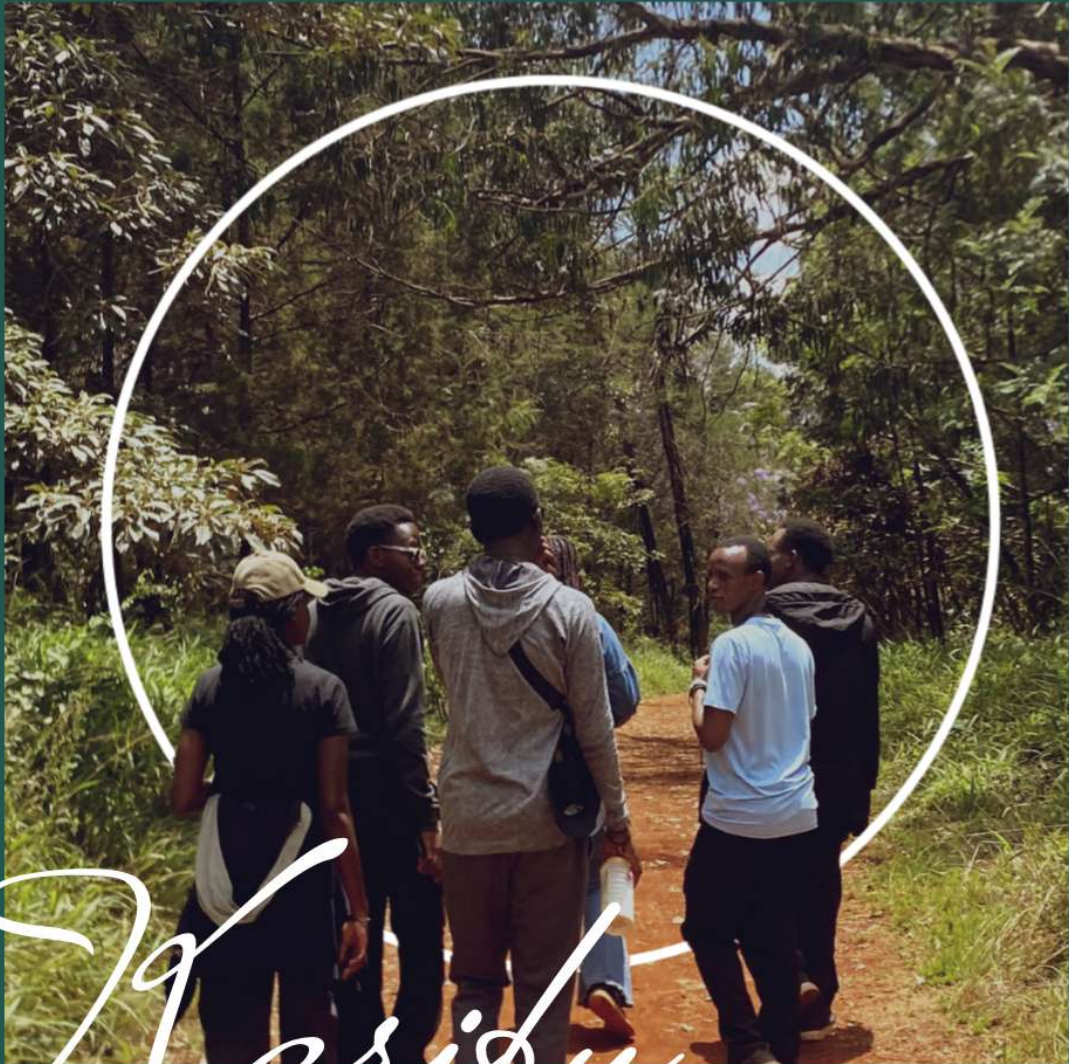

This was until our founder strategized a platform to create awareness on Mental Wellness. This is how we became a Mental Health Platform.

In 2024, this platform evolved into a network, growing from 4 to 40 members and two departments!

We are aiming for Growth

By Joining us, you will be Expanding
our agenda to create Mental Health
awareness as we build a safe-space.

We are happy to have you!
